RESOLUTION NO. _____

RESOLUTION DIRECTING COUNTY MANAGER TO
PREPARE A REPORT AND ACTION PLAN RELATED TO
REDUCING THE LOCAL OPTION GAS TAXES BY
50 PERCENT FOR A THREE-MONTH PERIOD

WHEREAS, the U.S. average self-serve regular price of gasoline increased another 19.47 cents in the past two weeks, to a new record high price of \$3.07, according to a recent Lundberg Survey of approximately 7,000 U.S. gas stations; and

WHEREAS, this gasoline price surpasses the August 11, 2006 record by 4.28 cents; and

WHEREAS, this price is only six cents shy of the all-time inflation-adjusted record price in March, 1981 when the price of regular gasoline was \$1.35 a gallon, which would be \$3.13 in today's dollars; and

WHEREAS, this summer's increasing gasoline prices largely have been attributed to the fact that no new refineries have been built in the U.S. in the last 30 years; and

WHEREAS, the 149 refineries that are currently in production have operated at or near 100 percent capacity for months in an effort to satisfy record consumer demand; and

WHEREAS, refineries operating at or near 100 percent capacity has produced a summer of fires, accidents and shutdowns, all of which have further limited refinery capacity and driven prices higher; and

WHEREAS, rising gasoline prices affect everyone on a daily basis, and consumers are in need of immediate relief from rising gasoline prices; and

WHEREAS, federal, state and local governments can all assist in providing needed relief to rising gasoline prices by temporarily reducing motor fuel taxes; and

WHEREAS, local motor fuel are used for road and other transportation-related projects;
and

WHEREAS, there are companion items on this agenda that urge the federal and state governments to reduce their respective gas taxes by 50 percent for a three month period; and

WHEREAS, a three-month reduction in local motor fuel taxes might offer consumers some relief from high gasoline prices without unduly burdening local transportation projects that are dependent on motor fuel tax revenue,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board directs the County Manager to prepare a report and action plan related to cutting the local option gas taxes by 50 percent for a three-month period, which would include the specific projects that would be impacted and how the County will adjust schedules, projects, and/or awards. The recommendations shall be reported to the Budget and Finance Committee at their June 12, 2007 meeting, before going to the full Board of County Commissioners at the subsequent meeting.
